### **LO Swing Ensemble to Perform at Open Hand Kitchen**

LOUISVILLE, KY— On Feb. 19, 2018, the Louisville Orchestra’s Vivic Duet will perform at the Family Success Center (FSC). The program will be held from 5:30-6:30 pm as part of the FSC’s After-school Enrichment program for kids in grades K-8. Performed by violist Evan Vivic and Violinist Maria Semes, the concert will feature kid-friendly music and discussion to teach children about the arts and encourage them to engage with classical music.

This program is part of the Louisville Orchestra’s #musicplaysback program, which seeks to make music accessible to a larger audience by bringing LO ensembles to local community organizations. This is the second performance in the series to be held at St. Vincent de Paul; in December the community enjoyed a performance by the LO Swing Ensemble at the Open Hand Kitchen.

The Family Success Center at St. Vincent de Paul seeks to empower families with children to reach their full potential. The FSC provides Adult Education classes as well as childhood enrichment programs year-round for members of the Shelby Park/Smoketown Communities.

*St. Vincent de Paul Louisville partners with individuals and families in crisis and helps them navigate a path to stabilize their lives and reach their full potential. More information: [svdplou.org](http://svdplou.org).*
